My dear Mr. Michelson

Again I have to thank you  
for your kind notice of  
Mr. Kapscha and Book of  
Hearts - I am truly sensible  
of your friendly attention to  
my interests, and deeply  
grateful for it - Mr. Berney  
dined with me on Monday  
and spoke in the <sup>interest</sup> of the  
terms of the <sup>interest</sup> of the  
towards the Due de Bordeaux.  
Mr. Berney wished to

tell me you before he left  
I am but had so much  
business that he could  
not find time - He will  
do so on his return -

I this day had a long letter  
from the poor Princess  
at Paris, who bears his  
confinement like a  
Philosopher, and thanks it  
to good account by  
diligently applying himself  
to study - He begged me to  
remember him to you -  
Believe me very dear Mr.  
Michelson your obliged and  
sincere friend Wm. B. Chapman
